

COBRA MR HH 350 MARINE RADIO

MR HH 350 Product Specifications:

- * **Floating** (This radio will float if dropped overboard. It has an orange stripe so it's easy to retrieve. Must use included battery to float)
- * **Power Settings** (Selectable power settings produce 1, 3 or 6 Watts of output power for near or distant calling)
- * **Speaker/Mic Jack** (Allows connecting optional Cobra Lapel Speaker/Mic and other Cobra Accessories)
- * **BURP** (The Cobra exclusive BURP feature expels water from the speaker grill if the unit is dropped in the water or is subjected to extreme rain and weather)
- * **Submersible to JIS7 Standards** (Waterproof to 3.3 ft (1 m) of water for 30 minutes)
